# OBLONG SHAPE PET BOTTLE (LEGO) 5000ML

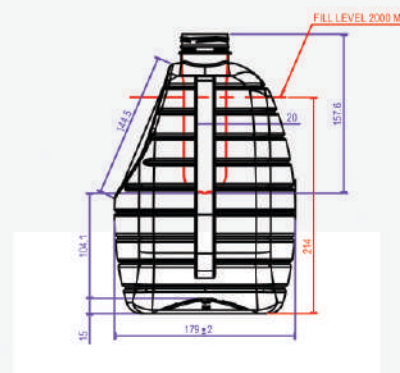

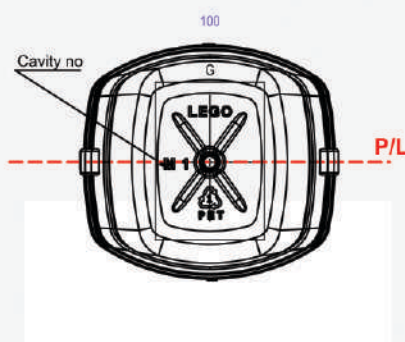

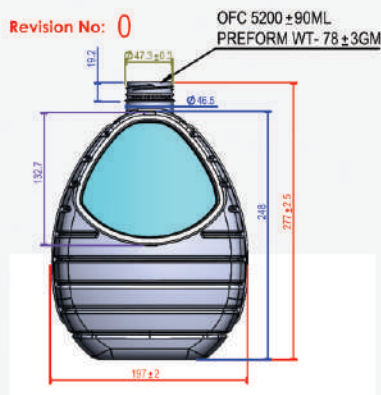

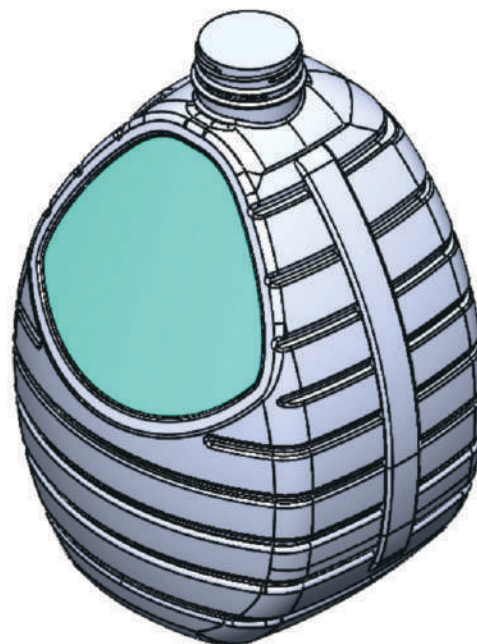

Material	Food grade PET (Polyethylene Terephthalate)
Capacity	5000ml
Color	Transparent Clear Plastic body
Shape	Round Portable Design
OFC	5200±90ML
Neck Size	48mm
Grammage	82+/-1gm

## Features:

- ✓ Large Capacity : 5 liters for bulk storage.
- ✓ Durable Material : Food-grade plastic, crack/leak-resistant.
- ✓ Wide Mouth : Easy filling and cleaning.
- ✓ Secure Lid : Screw-on cap with airtight seal.
- ✓ Portable : Lightweight with ergonomic grips.
- ✓ Transparent Body : Easy content visibility.
- ✓ Reusable & Eco-friendly : Sustainable for multiple uses.

## Multipurpose Use :

- ✓ Water Storage : For home, travel, or camping.
- ✓ Oil and Liquid Storage : Ideal for bulk liquid storage.
- ✓ Dry Food Storage : Suitable for grains, pasta, flour, etc.
- ✓ Chemical Storage : Stores household chemicals or detergents.
- ✓ Beverages : Great for juices or homemade drinks.
- ✓ Industrial Use : For lubricants or cleaning solutions.
- ✓ Camping/Outdoor Use : Handy for water or liquids during trips.

# OLD MONK LIQUOR PET BOTTLE 2000ML

Food grade PET (Polyethylene Terephthalate)	Material
2000ml (2 Liter)	Capacity
Transparent Clear Visibility Body	Color
Round Monk Design	Shape
2110±15gm	OFC
38mm	Neck Size
91+/-1gm	Grammage

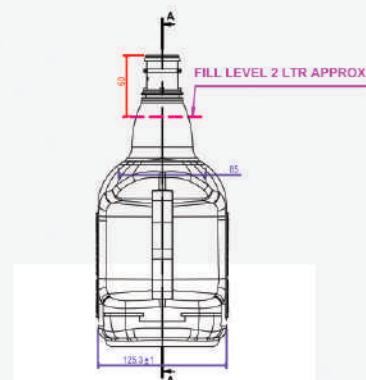

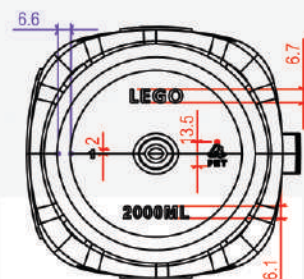

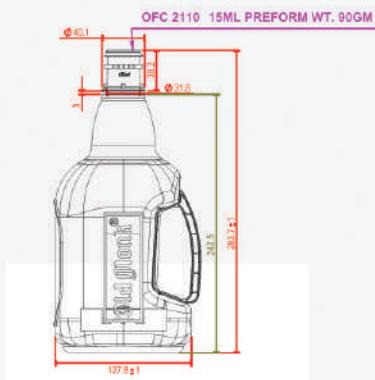

## Features:

- ✓ 2L Capacity : Great for large gatherings or parties.
- ✓ Lightweight PET Material : Durable, portable, and ideal for outdoor use.
- ✓ Leak-Proof Cap : Airtight to preserve flavor and prevent spills.
- ✓ Clear Design : Enhances presentation by showing contents.
- ✓ Wide Mouth Opening : Easy to pour and mix drinks.
- ✓ BPA-Free : Safe for beverages, free from harmful chemicals.

## Multipurpose Use :

- ✓ Liquor Storage : Ideal for storing Old Monk rum.
- ✓ Party Supplies : Convenient for gatherings, ensuring you have enough liquor for all guests.
- ✓ Outdoor Events : Lightweight design makes it suitable for picnics, barbecues, or camping trips.
- ✓ Cocktail Mixing : Great for preparing large batches of cocktails or punch for celebrations.
- ✓ Gifting : An excellent option for presenting liquor as gifts on special occasions.

## DIAMOND PET BOTTLE 2000ML

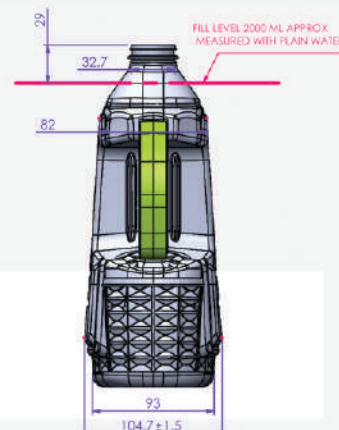

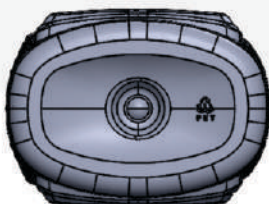

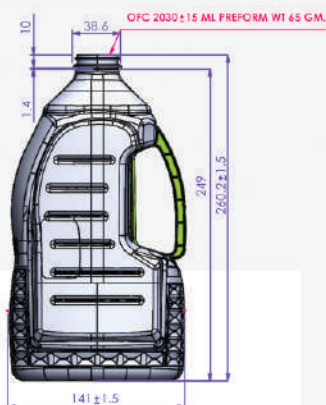

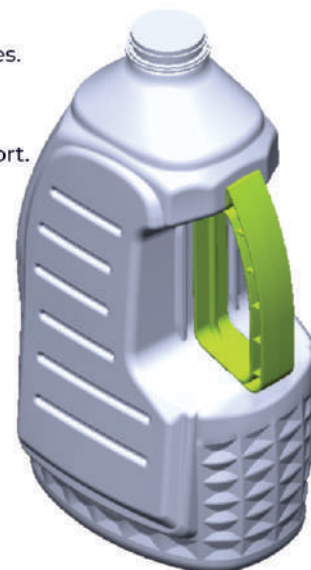

Material	Food grade PET (Polyethylene Terephthalate)
Capacity	2000ml
Color	Transparent Clear Plastic body
Shape	Diamond Shape Design
OFC	2030±15ML
Neck Size	36mm
Grammage	65+/-1gm

### Features:

- ✓ 2L Capacity : Ample storage for both oil and wine, perfect for home use or commercial purposes.
- ✓ Diamond Shape Design : Elegant, eye-catching diamond shape adds aesthetic appeal and makes it easy to grip.
- ✓ Durable PET Material : Lightweight and shatter-resistant, making it safe for storage and transport.
- ✓ Leak-Proof Cap : Secure sealing to prevent leaks and maintain the quality of contents.
- ✓ UV Protection : Specially designed to protect contents from UV light, preserving flavor and quality, especially for oils and wines.
- ✓ Wide Mouth Opening : Easy filling and pouring, suitable for both oil and wine.

### Multipurpose Use :

- ✓ Oil Storage : Ideal for storing cooking oils, such as olive oil or specialty oils, while preserving flavor and freshness.
- ✓ Wine Bottling: Perfect for home winemakers to bottle their creations or for storing commercial wines.
- ✓ Home Bar Use: Great for storing and displaying wine or oil in a home bar or kitchen setting.
- ✓ Restaurant Use: Practical for restaurants or cafes that offer oil and wine to customers, enhancing presentation.

### Multipurpose Use :

- ✓ Wine & Liquor: Ideal for smaller servings of wine or spirits.
- ✓ Gift Sets: Perfect for gift packaging.
- ✓ Travel-Friendly: Portable and durable for easy transport.
- ✓ Event Favors: Great for weddings, parties, or promotions

## HIGHBURY SHAPE PET BOTTLE 60ML

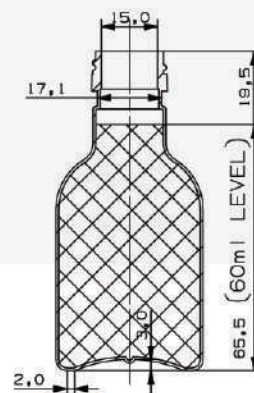

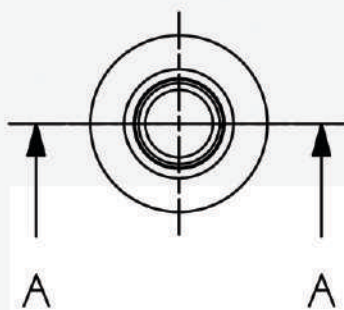

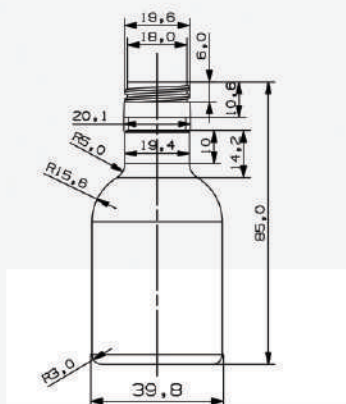

Material	Food grade PET (Polyethylene Terephthalate)
Capacity	60ml
Color	Transparent for clear Classic look, Green / Amber
Shape	Highbury shape with a compact, stylish appearance
OFC	64±2ML
Neck Size	25mm
Grammage	10+/-0.5gm

### Features:

- ✓ Capacity: 60ml
- ✓ Design: Highbury shape with a compact, stylish appearance
- ✓ Material: PET (lightweight, durable, and shatterproof)
- ✓ Color: Opaque, offering UV protection for sensitive contents
- ✓ Closure: Screw-top neck for tight sealing
- ✓ Portable: Ideal size for travel or single-use packaging
- ✓ Eco-Friendly: Fully recyclable

### Multipurpose Use :

- ✓ This bottle is ideal for packaging small quantities of high-end liquids, such as perfumes, essential oils, alcohol samplers, or cosmetics. Its compact size makes it perfect for travel-sized toiletries or promotional samples, while the opaque design provides UV protection for sensitive products.

# CLASSIC SHAPE PET BOTTLE 1000ML

Food grade PET (Polyethylene Terephthalate)	Material
1000ml	Capacity
Clear / Green / Amber	Color
Mimics the classic liquor bottle shape	Shape
1037±3ML	OFC
29mm	Neck Size
48+/-1gm	Grammage

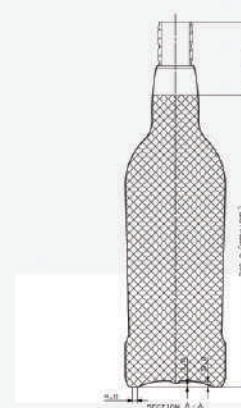

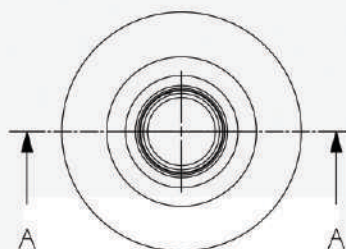

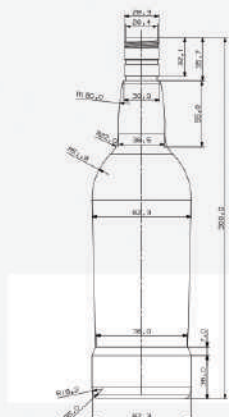

## Features:

- ✓ High Capacity : Holds up to 1000ml, ideal for large volume storage.
- ✓ Durable Material : Made from high-quality PET, offering strength, durability, and impact resistance.
- ✓ Lightweight : Easier to handle making it ideal for transportation.
- ✓ Classic Design : Mimics the classic liquor bottle shape with a long neck and rounded base, offering an elegant and traditional look.
- ✓ Secure Seal Compatibility : Compatible with various cap designs, ensuring a secure and spill-proof seal.
- ✓ Clear and Transparent : Provides excellent product visibility, enhancing shelf appeal.
- ✓ Recyclable : Environmentally friendly and fully recyclable, reducing waste.

## Multipurpose Use :

- ✓ Liquor Packaging : Primarily designed for liquor, whiskey, rum, and other alcoholic beverages.
- ✓ Non-Alcoholic Beverages : Suitable for juices, mocktails, or other liquid products needing elegant packaging.
- ✓ Oils & Syrups : Ideal for storing edible oils, flavored syrups, or vinegar.
- ✓ Promotional Packaging : Can be used for limited-edition or gift set products due to its attractive shape.
- ✓ Home Storage : Aesthetic enough for home use to store homemade drinks or other liquids.

## CRYSTAL EDGE SHAPE PET BOTTLE 1000ML

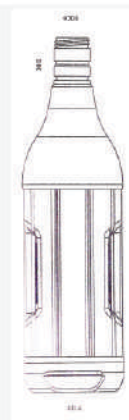

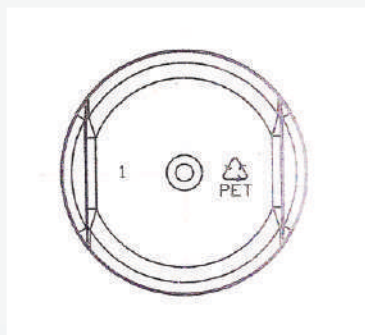

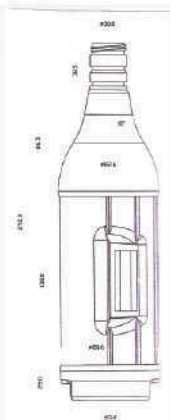

Material	Food grade PET (Polyethylene Terephthalate)
Capacity	1000ml
Color	Transparent for clear Classic look, Green / Amber
Shape	Rectangular edges for better grip
OFC	1030ml
Neck Size	29mm
Grammage	48+/-1gm

### Features:

- ✓ **Material:** Made from high-quality PET (Polyethylene Terephthalate), known for its durability, lightweight, and shatterproof properties.
- ✓ **Capacity:** 1000ml, ideal for storing a substantial volume of liquid.
- ✓ **Shape:** Rectangular edges for better grip and handling, with a modern and sleek profile.
- ✓ **Lightweight:** Easy to transport and handle.
- ✓ **Recyclable:** Environmentally friendly, PET can be recycled and reused, reducing waste.
- ✓ **Threaded Neck:** Secure screw cap compatibility for sealing, ensuring freshness and preventing spillage.

### Multipurpose Use :

- ✓ **Liquor Packaging:** Ideal for packaging spirits such as whiskey, vodka, rum, and other alcoholic beverages.
- ✓ **Water Storage:** Suitable for storing and carrying water, juice, and other non-carbonated drinks.
- ✓ **Household Use:** Can be used for storing oils, syrups, or liquid cleaning products at home.
- ✓ **Industrial Uses:** Applicable for holding non-toxic liquids or chemicals for industrial purposes.
- ✓ **Food-Grade Storage:** Safe for storing consumable products, such as sauces or condiments, making it versatile for kitchen use.
- ✓ **Events and Parties:** Great for large gatherings where the durable and shatterproof nature of PET is preferred over glass.

## DSP SHAPE PET BOTTLE 60ML

Food grade PET (Polyethylene Terephthalate)	Material
60ml	Capacity
Transparent for Clear Green / Amber	Color
Easily portable Round Shape Design	Shape
66ml	OFC
25mm	Neck Size
9+/-0.5gm	Grammage

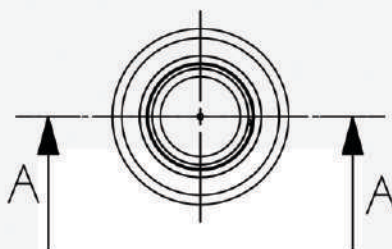

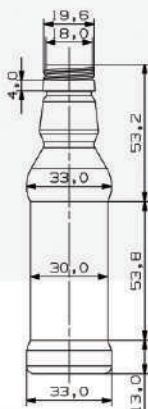

### Features:

- ✓ Material : Made of PET, ensuring durability and resistance to breaking.
- ✓ Color : Emerald green tint adds a premium and distinct look.
- ✓ Compact Size : 60ml capacity, ideal for travel-sized products.
- ✓ Lightweight : Easily portable due to the material and size
- ✓ Threaded Neck : Ensures a tight seal for liquids, preventing leaks.

### Multipurpose Use :

- ✓ Beverage Packaging : Ideal for miniature liquor bottles, especially for premium or limited-edition products.
- ✓ Essential Oils and Fragrances : Suitable for storing perfumes, essential oils, or other scented liquids.
- ✓ Sample Bottles : Perfect for product samples of beverages or cosmetic products.
- ✓ Travel-sized Liquids : Convenient for carrying small amounts of liquid, such as hand sanitizers or personal care items.
- ✓ Promotional Giveaways : Used for promotions due to its attractive appearance and compact size.

# WAVE SHAPE PET BOTTLE 5000ML

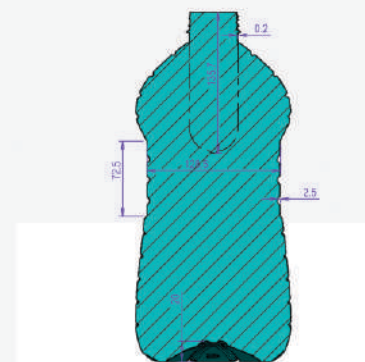

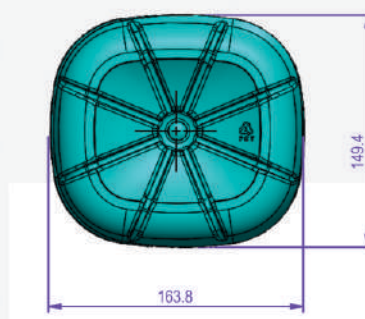

Material	Food grade PET (Polyethylene Terephthalate)
Capacity	5000ml
Color	Transparent Clear / Green / Amber
Shape	Wave Design
OFC	5140ml+/-35
Neck Size	48mm
Grammage	82+/-2gm

## Features:

- ✓ **Wave Design :** The ergonomic wave-shaped body ensures a comfortable grip and modern aesthetics.
- ✓ **High Capacity:** Large 5000ml capacity is ideal for bulk storage and transportation of liquids.
- ✓ **Transparent Finish :** Crystal-clear material allows easy content visibility.
- ✓ **Durable Material :** Made from high-quality PET, ensuring lightweight yet strong and impact-resistant properties.
- ✓ **Leak-Proof :** Designed with a secure cap mechanism to prevent spillage, especially during transport.

## Multipurpose Use :

- ✓ **Mineral Water Storage :** Specifically designed for packaging and transporting mineral water for domestic and commercial use.
- ✓ **Bulk Beverage Packaging :** Ideal for storing juices, iced teas, and other non-carbonated beverages.
- ✓ **Industrial Use :** Suitable for storing and transporting cleaning solutions, oils, or other non-toxic liquids in bulk.

## ROUND STRIP SHAPE PET BOTTLES 500ML & 1000ML

Food grade PET (Polyethylene Terephthalate)	Material

### Features:

- ✓ This 1000ml PET jar is perfect for storing a variety of dry goods and food items. Made from high-quality food-grade Polyethylene Terephthalate (PET), the jar is lightweight, durable, and transparent, allowing easy identification of the contents. The jar's round shape, combined with horizontal strip ridges, ensures sturdiness and a modern look.

### Multipurpose Use :

- ✓ Transparent body for easy viewing of contents.
- ✓ Lightweight and shatterproof, making it ideal for home or commercial use.
- ✓ Airtight lid helps maintain the freshness of stored items.

## ZIGZAG-SHAPED PET BOTTLES 450ML & 225ML

### Features:

- ✓ **Zigzag Shape** : Ergonomic design for easy grip, ensuring user convenience and reducing spillage.
- ✓ **Compact Sizes** : Available in 450ml and 225ml capacities, ideal for portable use and travel-friendly packaging.
- ✓ **Durable Material** : Made of high-quality PET, offering durability and resistance to damage.
- ✓ **Transparent Finish** : Clear material for easy visibility of the product inside.
- ✓ **Leak-Proof Compatibility** : Compatible with flip-tops, pumps, or spray caps for secure and controlled dispensing.

### Multipurpose Use :

- ✓ **Hand Sanitizers** : Specifically tailored for personal and bulk sanitizer packaging.
- ✓ **Liquid Soaps** : Can also be used for packaging hand or body wash.
- ✓ **Personal Care** : Suitable for lotions, gels, or hair serums.
- ✓ **Cleaning Agents** : Ideal for compact packaging of surface cleaners or disinfectants.
- ✓ **Travel Essentials** : Perfect for carrying small quantities of liquids like shampoos or perfumes.
- ✓ **Refill Packs** : Can serve as a refillable container for household or office use.

Material	Food grade PET (Polyethylene Terephthalate)
Capacity	225ml & 450ml
Color	Transparent Finish Clear material
Shape	Zigzag Shape Design
Neck Size	28mm (225ml) & 28mm (450ml)
Grammage	28+/-1gm (225ml) & 28+/-1gm (450ml)

## BRUT SHAPE PET BOTTLE 60ML, 180ML & 375ML

### Features:

- ✓ **High-Quality PET Material** : Made from food-grade PET plastic, these bottles are durable, lightweight, and shatter-resistant, ensuring safe storage and transport.
- ✓ **Liquor-Friendly Green Tint** : The green tint not only provides an attractive look but also helps shield the contents from light, preserving the quality of the liquor.
- ✓ **Threaded Neck for Secure Closure** : The screw-threaded neck ensures a tight seal, preventing leaks and helping maintain the spirit's aroma and taste.
- ✓ **Variety of Sizes** : Available in 60 ml, 180 ml, and 375 ml, these bottles cater to different needs, from small tasters to larger portions.
- ✓ **Ergonomic Shape** : The Brut shape is designed to be easy to hold and pour, offering a comfortable grip for consumers.

### Multipurpose Use :

- ✓ **Alcohol Packaging** : Ideal for various types of liquor, including whiskey, rum, vodka, and gin. The smaller sizes (60 ml and 180 ml) are perfect for miniatures or samplers, while the 375 ml size works well for standard servings.
- ✓ **Miniature Gift Bottles** : The 60 ml size is great for creating gift sets, sampling, or party favors, allowing consumers to try different flavors without committing to full-size bottles.
- ✓ **Travel-Friendly Bottles** : With TSA-compliant small sizes, these bottles are suitable for travelers who want to carry a limited quantity of alcohol in their luggage.
- ✓ **Promotional Items** : Distilleries or liquor brands can use these bottles for promotional or limited-edition releases, making them a great tool for marketing.

Material	Food grade PET (Polyethylene Terephthalate)
Capacity	60ml, 180ml & 375ml
Color	Oval Strip
Shape	Ergonomic Shape
Neck Size	20mm(60ml), 20mm(180ml) & 25mm(375ml)
Grammage	8.5+/-1gm(60ml), 10.5+/-1gm(180ml) & 28+/-1gm(375ml)

## CRYSTALPRO 5L PET JAR WITH ERGONOMIC HANDLE

### Features:

- ✓ **Durable PET Material** : Made from food-grade PET plastic, ensuring safety for storing food and other materials.
- ✓ **Large Capacity** : 5-liter volume, ideal for bulk storage.
- ✓ **Ergonomic Handle** : Easy-to-carry design, with a sturdy handle for effortless transportation.
- ✓ **Wide Neck Opening** : 120mm neck for easy filling and cleaning.
- ✓ **Airtight Seal** : Comes with a secure, screw-on lid to keep contents fresh and spill-free.
- ✓ **Lightweight** : Despite its large size, the jar is lightweight, making it convenient to handle.

### Multipurpose Use :

- ✓ **Food Storage** : Ideal for storing dry food items like rice, flour, sugar, grains, or pasta.
- ✓ **Snack Container** : Great for holding snacks like cookies, chips, or nuts in bulk.
- ✓ **Pickling and Fermentation** : Suitable for making pickles or fermenting vegetables.
- ✓ **Household Organization** : Can be used to store non-food items like laundry detergent pods, cleaning supplies, or bathroom essentials.
- ✓ **Pet Food Storage** : Perfect for keeping pet food fresh and easily accessible.
- ✓ **Gardening Use** : Can be used to store seeds, fertilizers, or small gardening tools.
- ✓ **Craft and Hobby Supplies** : A good option for organizing beads, buttons, yarn, or other craft materials.
- ✓ **Water and Liquid Storage** : Can be used to store water or other liquids for household use.

- ✓ **Household Liquids :** Suitable for storing oils, syrups, sauces, and other liquid condiments.
- ✓ **Personal Care Products :** Can be used for packaging products like hand sanitizers, lotions, or liquid soaps.
- ✓ **Industrial Uses :** Suitable for non-food liquids such as cleaning solutions or detergents.
- ✓ **Reusable :** Lightweight and sturdy, making it an eco-friendly choice for reuse.

Material	Food grade PET (Polyethylene Terephthalate)
Capacity	375ml & 750ml
Color	Transparent for clear Classic look, Green / Amber
Shape	DSP shape provides a classic and ergonomic design
Neck Size	25mm (375ml) & 29mm (750ml)
Grammage	28+/-1gm (375ml) & 40+/-1gm (750ml)

## SLIM SHAPE PET BOTTLE 375ML

### Features:

- ✓ **Material :** Made from PET (Polyethylene Terephthalate), which is lightweight, strong, and resistant to breakage.
- ✓ **Slim Shape :** The slender design is space-efficient and provides an elegant look, making it ideal for high-end or premium products.
- ✓ **Reusable :** Designed for repeated use, adding to its sustainability appeal.
- ✓ **Food-Grade :** Safe for food and beverage storage, adhering to industry safety standards.

### Multipurpose Use :

- ✓ **Beverage Packaging :** Ideal for wines, spirits, or juices, with the green tint adding a touch of sophistication.
- ✓ **Household Liquids :** Suitable for oils, dressings, or syrups, especially for products needing light protection.
- ✓ **Cosmetic and Personal Care :** Can be used for lotions, toners, or other beauty products that benefit from being stored in a tinted container.
- ✓ **Decorative Uses :** With its unique shape and color, it can also be repurposed as a decorative item or vase.
- ✓ **Eco-Friendly Option :** Its durable PET material and reusable design make it a good choice for sustainable packaging solutions.

Material	Food grade PET (Polyethylene Terephthalate)
Capacity	375ml
Color	Clear Transparent Body Green & Amber
Shape	Slim Design
Neck Size	28mm
Grammage	28+/-1gm

## SLIM LONG-NECK SHAPE PET BOTTLE 750ML

### Features:

- ✓ **Material :** Made from high-quality PET (Polyethylene Terephthalate), which is lightweight, shatterproof, and durable.
- ✓ **Long Neck Design :** The traditional long-neck shape offers a classic wine bottle aesthetic, enhancing the product's presentation.
- ✓ **Clear Transparency :** Its high clarity allows for visibility of the liquid inside, giving the product a premium look.
- ✓ **Food-Grade :** PET is safe for food and beverage storage, ensuring the contents remain uncontaminated.
- ✓ **Eco-Friendly :** Reusable and recyclable, making it a sustainable packaging choice.

### Multipurpose Use :

- ✓ **Wine and Spirits Packaging :** Perfect for packaging wines, spirits, and other alcoholic beverages due to its classic shape and large capacity.
- ✓ **Juices and Beverages :** Can be used to package juices or non-alcoholic beverages, particularly for premium or artisanal products.
- ✓ **Household Liquids :** Suitable for syrups, cooking oils, or vinegars, adding a sophisticated look to kitchen products.
- ✓ **Personal Care Products :** Can be used for larger quantities of lotions, liquid soaps, or other personal care products that benefit from a refined appearance.

Material	Food grade PET (Polyethylene Terephthalate)
Capacity	750ml
Color	Transparent Clear Body Green & Amber
Shape	Long Neck Design
Neck Size	29mm
Grammage	40+/-1gm

## SLIM SHORT NECK SHAPE PET BOTTLE 750ML

### Features:

- ✓ **Material :** Made from durable PET (Polyethylene Terephthalate), which is lightweight, impact-resistant, and cost-effective.
- ✓ **Slim and Short Neck Design :** The slim body combined with a short neck gives it a stylish, contemporary appearance, making it ideal for products with a modern or minimalist brand image.
- ✓ **Clear Transparency :** High clarity allows for a full view of the product inside, enhancing visual appeal and brand presentation.
- ✓ **Food-Grade :** PET is safe for storing consumable products, ensuring no contamination or compromise in quality.

### Multipurpose Use :

- ✓ **Beverage Packaging :** Perfect for packaging alcoholic beverages like spirits, cocktails, or premium non-alcoholic drinks that benefit from a sleek design.
- ✓ **Household Liquids :** Suitable for oils, dressings, syrups, or other kitchen essentials that need an easy-to-pour container.
- ✓ **Personal Care Products :** Ideal for liquid soaps, lotions, or toners, especially for products marketed with a contemporary or high-end look.
- ✓ **Industrial Liquids :** Can be used for non-consumable products like cleaning solutions, making it versatile across various sectors.
- ✓ **Decorative Uses :** Its modern design makes it a great choice for up cycling into decorative items, like small flower vases or storage containers.

Material	Food grade PET (Polyethylene Terephthalate)
Capacity	750ml
Color	Transparent Clear Body Green & Amber
Shape	Slim and Short Neck Design
Neck Size	29mm
Grammage	40+/-1gm

## CRYSTAL EDGE SHAPE PET BOTTLE (1000ML & 500ML)

### Features:

- ✓ **Material:** Made from high-quality PET (Polyethylene Terephthalate), which is durable, lightweight, and impact-resistant, making it a safer alternative to glass.
- ✓ **Clear Design :** Crystal-clear finish provides a glass-like appearance, allowing the contents to be visible, which enhances the presentation of beverages, especially liquor.
- ✓ **Crystal Edge Shape :** This elegant shape adds a premium look, suitable for liquor, and has ergonomic grooves for a comfortable grip.
- ✓ **Sizes Available :** Comes in 1000ml and 500ml options, suitable for individual use or larger quantities.
- ✓ **Leak-proof Cap :** Equipped with a secure screw cap for a tight seal, preventing leaks and preserving the quality of the contents.

### Multipurpose Use :

- ✓ **Liquor Storage :** Ideal for spirits, such as whiskey, vodka, gin, rum, and other liquors, where clarity and presentation are key.
- ✓ **Beverages :** Suitable for water, juices, sodas, and other drinks, making it versatile for both alcoholic and non-alcoholic beverages.
- ✓ **Kitchen Storage :** Can be used for oils, vinegar, sauces, or syrups, providing a stylish storage option for liquid condiments.
- ✓ **Personal Care Products :** The 500ml size can be repurposed for toiletries like shampoos, conditioners, or liquid soaps, especially for travel.
- ✓ **Home Bar or Event Use :** Perfect for home bars, parties, or events where durable and attractive bottles are needed for serving or presenting drinks.
